Langston University/Research Sales.

**MGP Handbook
Langston University
Box 730
Langston, OK 73050
USA**

Price of the handbook includes shipping and handling.

Sorry but we **CANNOT** accept credit card orders, or C.O.D. orders, or currency other than US dollars.

If you include your email address, an email confirming that your order has been received and that your order has been processed will be sent.

Spiral-bound (softback)

Pages are held together along one edge by a continuous piece of plastic wire (spiral) that passes through holes in the pages. This handbook will lie flat and will fold upon itself.

Case-bound (hardback)

Pages are held together along one edge by gluing sewn sheets into a separately made hard cover.
